We know who our customers are.
You are the reason we are in business and our business is you!

Job Seeking Skills Training:

This service prepares the person for interviewing and securing employment. Resumes and cover letters are developed and interview skills are taught.

Job Development & Placement:

Job search activities include weekly contacts with multiple employers, assistance with resumes, job applications, and interviewing.

Job Coaching:

One-on-one instruction is provided on a work site to assist the person with learning job tasks and adjusting to the work environment.

Job Retention / Follow-Along:

Once you are successfully settled in your new job our team will stay in contact with you and the employer to support continued success.
