## Self-directed service design and delivery...

“Homemaker/Personal care” means the coordinated provision of a variety of services, supports and supervision necessary for the health and welfare of an individual which enables the individual to live in the community.

These are tasks directed at increasing the independence of the individual within his/her home or community.

This service will help the individual meet daily living needs, provide respite time and transportation.

**Hopewell Industries, Inc. employees** understand the challenges people face. Our professionals are devoted to providing quality care and assistance to individuals with a developmental disability.

We know it isn't easy to invite someone into your life and home to provide services. You'll interview our staff and direct your service design and delivery. At Hopewell Industries, Inc. character matters!

Customer Feedback:

Hopewell didn't hesitate to accept the job of transporting me to and from work on the weekends even though I don't get off until 10PM. - Sabin

Hopewell schedules the same staff so I know who my staff are. My schedule tells who is coming and the time that they will arrive. My schedule is made for me—for my schedule. - Tina

Dreams do a lot of things for us. They allow us to express our deepest desires. They give us hope and they give us energy. They also say a lot about who we are.

**Hopewell Industries, Inc. employees** believe in giving people the power to say this is who I am, this is where I want to go, this is what I am afraid of, and this is what I need for you to do to support me.

### Hopewell Industries, Inc. Flexible and agile for our customers'

At Hopewell Industries, Inc. we know who our customers are.

You are the reason we are in business and our business is you!
